

INTERNATIONAL IT INTERNSHIP (UK)

(12 weeks minimum)

We are

- An expanding company located in St. Helens, between Liverpool and Manchester.
- Specialised in bar code labelling and equipment.
- Constantly looking for committed students for our internships.
- An international company with our main office in England and excellent links to EU countries.

We offer

- Some of the best known and well established internships in Europe.
- The opportunity to work in a dynamic team with people from all over the world.
- The possibility to take real responsibility and to gain real professional experience.
- The chance to significantly improve your English skills by living and working in a British business environment.

Your tasks include:

- Network Administration,
- Mobile computing,
- Data storage backup,
- Troubleshooting and system support,
- Training, induction and employees' support,
- Service management system installation.

You should

- Have good English skills.
- Be serious, ambitious and self-motivated.
- Be flexible and able to manage several tasks at the same time.
- Have a good IT background.
